RE: USP Omeprazole Related Compound A Reference Standard (Catalog # 1478516, Lot R022U0)

Dear USP Customer,

You are receiving this letter because our records indicate your company purchased USP Omeprazole Related Compound A Reference Standard, Catalog # 1478516, Lot R022U0, within the last twelve months. There is a new chromatographic use for this Reference Standard in the Esomeprazole Strontium Organic Impurities test that will become official on December 01, 2017. Since Lot R022U0 was not labeled for this new use, the Valid Use Date has been changed to November 30, 2017. USP has replaced this Reference Standard with a new lot, R022U1, which is now available for purchase.

Please note that USP Omeprazole Related Compound A, Catalog # 1478516, Lot R022U0 will not be valid for use after November 30, 2017.

We are offering our customers the option to return for replacement or credit any unopened vials of Lot R022U0. Please contact Customer Service at 1-800-227-8772 (or custsvc@usp.org) to arrange for replacement or credit of any unopened vials you would like to exchange for the new lot. (International customers please call 1-301-881-0666). Please have your order number available when you contact USP.

For technical questions, please contact Technical Services at rstech@usp.org or by calling 301-816-8129 or 1-800-227-8772 extension 8129.

Regards,

Alice Tira
